

A Level French Summer Induction tasks for Year 11

Compulsory

Task 1 – Work through the attached grammar revision booklet.

Task 2 - Research a topic relating to France or a French speaking country and produce a short presentation in French (no more than 5 minutes). You should create a PowerPoint to illustrate your findings. As part of the Year 2 A level course you will need to do an Individual Research Project, so this task will help you with the skills needed for that aspect of the course. Some ideas of topics are below but you are welcome to choose anything you are interested in.

- A French tradition (14 juillet, festivals etc)
- French food and drink
- A famous French person.
- A period of history in France
- A French region

Task 3 - Find a French newspaper article about something that interests you and write a summary of the article in English.

Task 4 - Find a French song you like and translate the lyrics into English

Task 5 – Tell me in French why you want to study the language further. I will ask you this question in the first lesson of the year.

Task 6 - Optional depending on availability

Watch a French film (many are available on the usual streaming sites eg Netflix, Amazon Prime etc) and write a film review in French.
